CHAMPION, UC Technosprint 2025 – University of the Cordilleras Theater (February 2025)

Top 6, DICT Hack4Gov Region 1 – La Union (June 2024)

Participant, NETSEC Capture the Flag (CTF) Competition (November 2023)

TECHNICAL & CREATIVE SKILLS

Cybersecurity Frameworks: Basic Cryptography & Encryption, Capture the Flag (CTF) Mechanics.

Design & Multimedia: Graphic Design, Visual Layout & Typography, Information Design, Publication Materials (Pubmats) Creation.

Core Competencies: Advanced Analytical Thinking, Technical Problem-Solving, Project Collaboration, Rapid Prototyping (Hackathons), Detail-Oriented Execution.

FEATURED PROJECTS

JuanDerQuest | Hack the Chain 25.2 (July 2025)

- Developed a blockchain-based solution using Viction network protocols during a 24-hour hackathon sprint.

**WORK
EXPERIENCE**

Student Assistant (Graphic Designer) | Arzatech Solutions

January 2025 – Present

- Conceptualize and design digital graphics and publication materials (pubmats) for the school's official media page.
- Visualize layouts for campus events, academic announcements, and community updates to drive student engagement.
- Collaborate with administrative teams to ensure all creative materials align perfectly with school branding rules.
- Manage high-volume design requests under strict time limits while maintaining a high GPA as a full-time student.

**LEADERSHIP
& CO-
CURRICULAR
ACTIVITIES**

Saan MV Cover (Universidad de Dagupan)

Production Assistant & Graphics Team, June 2025

- Contributed to the post-production design layout and visual assets for the project while providing hands-on operational and floor management support during video production shoots.

Core Officer – Computer Science and Information Technology Society (Universidad de Dagupan)

Vice President for Information, AY 2024-2025

- Spearheaded information distribution networks for the student society, ensuring efficient and timely communication of departmental announcements, events, and academic updates.

Multimedia Sub-Organization – Computer Science and Information Technology Society (Universidad de Dagupan)

Graphic Designer, AY 2023-2024

- Conceptualized and executed visual layout designs, branding, and digital promotional assets for organization-led tech assemblies and student events.

Cybersecurity Varsity – Universidad de Dagupan

Active Member, AY 2024-Present

- Train in threat analysis, defensive security, and team CTF competitions.
